DSML Executive Search is part of the ALEXANDER HUGHES Group

1 A highly customized approach

- Search tailored to industry and region in the US
- Specific process & expertise for confidential searches

2 A dedicated team with deep connections to our clients' culture

- Our DNA is European (several countries represented) but our execution is American
- International and multilingual team (5 languages spoken)
- Diversity of European countries served
- Offices in Chicago & Boston that cover the entire US

3 Strong values that positively impact the outcome of our work:

- Commitment and passion to succeed
- Collaboration throughout the process with a team work approach
- Reliable partner to achieve the best outcome possible
- Future ready and adaptable
- Inclusion and diversity in our search

4 A team mindset and true partnership with our clients

- We educate our clients who need assistance understanding the US workplace & market
- At least 3 consultants collaborate on each assignment
- In-depth interviews resulting in high quality candidates
- Commitment to success with client follow-up months after each search is completed

5 Technology to streamline the process

- Dedicated client online portal
- Improved data flow
- Real time status update of the search
- Access to targeted profiles' data

"DSML Executive Search team really understood what we were looking for and they were able to introduce excellent candidates in a short period of time. The candidates presented were of great quality, so we did not need to have too many. We also knew the US market is hot and that we needed to move fast. The process was clear and smooth. I could see the entire team was committed." – **NM | France**
